

October 27, 2023

**Attention:** Mr. Pranay Garg  
ADVANCE VALVES GLOBAL LLP  
142 A&B NSEZ PHASE II  
NOIDA, 201305

The design submission, Tracking Number 2023-05292, Web Portal Number 2023-S3442, originally received on August 29, 2023 was surveyed and accepted for registration as follows:

**CRN :** 0C13750.2 **Accepted on:** October 27, 2023  
**Reg Type:** RENEWAL **Expiry Date:** October 27, 2033  
**Drawing No. :** Catalogue, MKT:C:03/issue No.03, Rev.00, July 2019 As Noted  
**Fitting type:** Dual Plate Check Valves, Cl. 150-2500

**The registration is conditional on your compliance with the following notes:**

*From the valves listed in the catalogue only valves that designed, fabricated, tested and inspected in full compliance with ASME B 16.1, B16.34 and B16.42 are covered by this CRN. Scope of registrations includes only valves sizes from 2 inch thru 80 inches, classes 150 to 2500, the scope includes only listed materials of construction with listed grades. Only listed valves sizes per standard are accepted. Valves shall not have body wall thickness less than specified in the standards ASME B 16.1, B16.34, B16.42. Valves accepted only with pressure-temperature ratings listed in these standards. Valves that do not fully meet the standards are not included into this registration.*

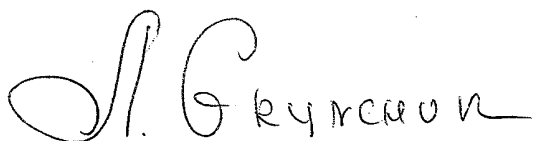

*As indicated on AB-41 Statutory Declaration or AB-351 Declaration of Conformity form and submitted documentation, the code of construction are B16.34, B16.42 and other engineering analysis.*

- It is our understanding that the fitting(s), included as the scope of this submission, that is(are) subject to the Safety Codes Act shall comply with the requirements of the indicated Standard or Code of Construction on the AB-41 Statutory Declaration or AB-351 Declaration of Conformity as supported by the attached data which identifies the dimensions, materials of construction, press./temp. ratings and the basis for such ratings, and the identification marking of the fittings.*
- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration or AB-351 Declaration of Conformity form.*
- This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency, and maintains a valid Certification of Authorization Permit if required by the jurisdiction where manufacturing takes place, until that date.*
- Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.
